

I believe that wine is a very important and enjoyable part of the total dining experience. The purpose of my wine list is to enhance your dining experience through providing a wide variety of wines both by the bottle and the glass.

Smith's Row features some of the best wines in the world.

My pricing philosophy is simple - wine should be priced to represent value for the customer. I would rather you purchase and enjoy my wine than allow it to sit in the cellar and gather dust. My philosophy is why "Wine Spectator Magazine" has designated Smith's Row wine list as an "uncommon value".

While I try to have all wines on the list available, occasionally I may be temporarily sold out of a specific wine. Vintages are subject to change.

Should you desire a wine of which I am temporarily sold out, our General Manager will gladly assist you in choosing another comparable selection.

If you wish to enjoy your own special wine at Smith's Row there is a corkage fee of \$12.00 per bottle.

Good Food, Good Friends, Good Wine makes Life a Pleasure!
